Re: *Town of Oyster Bay v. Northrop Grumman Systems Corporation (2:23-cv-07146)*

Dear Judge Choudhury,

Northrop Grumman Systems Corporation (“Northrop Grumman”) provides this correspondence in accordance with Your Honor’s January 31, 2025 Order concerning Northrop Grumman’s request for clarification from the Court as to how it would like to receive a copy of the additional sampling results submitted to the Town of Oyster Bay (the “Town”) on January 23, 2025 electronically through email. When converted into a PDF for ECF filing, the additional sampling material became illegible, due to its size. See ECF 47-2.

In total, there are twenty (20) additional Microsoft Excel spreadsheets for Exhibits C (2 documents), E (3 documents), G (2 documents), and I (13 documents) of ECF 47. Northrop Grumman uploaded this material to the Eastern District of New York’s electronic evidence submission portal in accordance with Your Honor’s January 31, 2025 Order and following discussions with Your Honor’s Chambers, which opposing Counsel was aware of and consented to.

Respectfully submitted,

---
